RESPONSE TO NOTICE OF NON-COMPLIANT AMENDMENT

In response to the notice of non-compliant amendment mailed on December 26, 2008, a response to which is due by January 26, 2009, Applicant submits that the amendment is compliant with 37 CFR 1.121(c)(2), which states that

“The text of any deleted subject matter must be shown by being placed within double brackets if strike through cannot be easily perceived.”

In the present case, although double brackets are used to indicate deletions of more than five characters, the number of characters deleted is small enough so that strike through cannot be easily perceived. Accordingly, Applicant submits that the form of amendment complies with the rule.

The deleted text is also shown by strike through. As such, the amendment is also compliant with the portion of the rule that states “[t]he text of any deleted matter must be shown by strike-through.”

No fees are believed to be due with the filing of this response. However, to the extent fees are due, or if a refund is forthcoming, please adjust our Deposit Account No. 06-1050, referencing Attorney Docket No. 08575-0104001.
